DELTA FOOD
NEW TASTE OF LIFE

About Us

15 years ago we started our journey in catering. Serving our clients the most delicious, fresh meals & snacks with a wide variety of tastes and flavors.

Providing the very best customer service & customer experience, we aim to continue growing and share more success stories with our clients.

"We believe that people are inspired by what they eat, which we deliver through a plate of happiness."

Our Vision

To be the leading provider in the catering market and exceed our client's ' standards.

Our Mission

Serving our clients with the finest quality and the best cuisine solutions.

Why We Are Different

Delta Food Egypt kitchens cover most of the Egyptian governments, offering catering solutions that suit a wide range of clients in different fields. Thanks to our well-trained team and their passion for food, we always commit to the highest standards & maximum customer satisfaction.

Our Kitchen

Delta Food Egypt takes special care for the new generation, as we serve healthy food for students. Each meal, sandwich or salad we serve is prepared by professional chefs under the supervision of a certified quality control engineer, according to the World Health Organization & EDA standards

Health & Safety

At Delta Food Egypt we take excellent care of our business partners, staff and environment.

Using the highest standards of hygiene and the healthiest measurements to guarantee maximum safety

Our Menu

Our menu embraces something for everyone, with an extensive selection of the finest ingredients and the most delightful items.

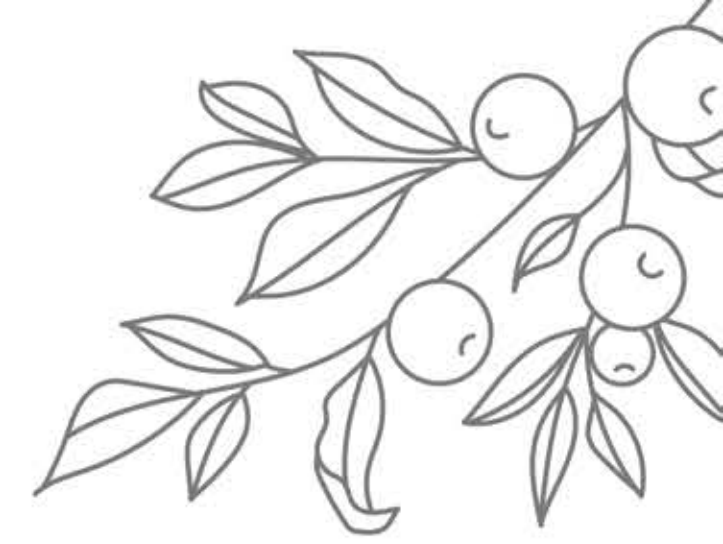

We offer a wide-ranging selection for different occasions, easy to customize for a more enjoyable and pleasing experience.
